

(Player Journey) Two played smoothly after experiencing turning points, while the other two struggled with combo mechanics and HP management

Participant	2 Weeks of Experience in a Nutshell	Positive	Negative
P2	<p>Continued combo practice, gathering information (via YouTube, instead of in-game search)</p> <p>(Turning Point) Afterwards, discovered a character with smooth combos / Identified effective combos against AI opponents → Resulted in smooth progression</p>		
P3	<p>Experienced challenges in managing HP in the Survival Mode / Faced limitations in stage rewards (enhancements restricted to one time) → Resulted in a challenging, inconsistent gameplay (also did not utilize tutorials)</p>		
P4	<p>Encountered difficulties playing the Survival Mode</p> <p>(Turning Point) Afterwards, discovered the unique strengths of a specific character's skills → Overcame the challenges, resulting in smooth progression</p>		
P10	<p>Experienced challenges in managing HP in the Survival Mode / Faced limitations in stage rewards (enhancements restricted to one time) → Resulted in a challenging gameplay</p>
